September 6, 2005

MICHAEL AUDELO PROMOTED TO SENIOR MANAGER AT SIGMA DATA SYSTEMS, A DIVISION OF CPS HUMAN RESOURCE SERVICES

Tucson, AZ -- Michael Audelo has been named Senior Manager for Sigma Data Systems, a division of CPS Human Resource Services. Audelo, previously the Support Services Manager for Sigma Data Systems, has been with Sigma for 14 years, starting as a trainer and support services technician. Sigma Data Systems, an applicant management software company, became a division of CPS in the spring of 2005.

Sigma Data Systems offers a variety of software tools which support public agencies in managing their selection and assessment processes. As Senior Manager, Audelo will develop and implement strategic planning, manage company projections, performance and sales goals. "Mike is a dynamic leader, who has been a user of the Sigma software as a customer. His in-depth knowledge of the Sigma product makes him an invaluable resource for our clients," said Jerry Greenwell, CEO for CPS human Resource Services.

Audelo has installed more the 150 Sigma applicant management software systems and has trained more than 3,000 users in 35 states. "This is an exciting time for Sigma Data System," said Audelo. "With the recent merger between CPS and Sigma, we now have an even greater capacity to continue our substantial research and development investment into expanding and enhancing our applicant management software which our clients will greatly benefit."

Before coming to Sigma Data Systems, Audelo worked for the City of Fresno in the Personnel and Finance Departments. He also worked as a Community Service Officer with the Fresno Police Department. Audelo obtained a Bachelor of Science – Human

About Sigma Data Systems

Sigma Data Systems became a division of CPS Human Resource Services in spring 2005. For more than twenty years, Sigma has been the leader in providing merit and civil service assessment and selection software to government. Sigma's Applicant Management Software is used in more than 200 public sector agencies from school districts to large state agencies across the United States, delivering a full contingent of HR products, services and automation.

Sigma and CPS share a common vision in delivering the highest standards in civil service selection and assessment. Sigma's philosophy has always been and will continue to be to make the wisest possible use of technology to deliver innovation and quality tools to help the public sector improve its recruitment, selection, and assessment processes.

About CPS Human Resource Services

As a government agency, CPS is helping to improve human resources in the public and nonprofit sectors. CPS provides a full range of HR management and consulting, examination, certification, licensing, and executive search services to more than 1000 local, state, and federal government agencies, public utilities, associations, nonprofits, and other organizations throughout North America.

CPS Human Resource Services has more than 10 offices across the country. CPS is governed by a 10 member public agency board of directors: City of Anaheim; California State Personnel Board; East Bay Municipal Utilities District; Hayward Unified School District; City of Las Vegas; the City University of New York; Sacramento County; City/County of San Francisco; Sonoma County; and the Office of Employment Relations, State of Wisconsin.

CPS Human Resource Services is the 2004 winner of the **Sacramento Workplace Excellence Leader Award**.
